**TRANS ISLAND ELECTROMECHANICAL LLC**

# Index

- \* Group overview
- \* Transiz Today
  - \* Next Generation Services
  - \* Transiz Group
  - \* Focusing Areas
  - \* Technical outsourcing
  - \* Material Trading
  - \* Control System Panel Build up
  - \* Engineering support
  - \* Electrical and instrumentation field services
  - \* Capabilities
  - \* Strategic Objectives

# TRANSIZ Group Overview

## ORIGINS

Established in 2010.

## BUSINESS OVERVIEW

TRANSIZ consists of a lot of diverse businesses including some joint ventures.

## FINANCIAL STANDING

The Group has strong liquidity and operates independent of external financing even in the current recessionary market.

# TRANSIZ Today

## COMPETITIVE ADVANTAGE

- Long-standing partnership with Government entities.
- Well-built financial competence through major stake holdings in regional banking institutions.
- Among the best conglomerates in the country
- Strong liquidity for expansion with access to local debt market.

# Next Generation Services.

**Trans Island Electromechanical LLC (Transiz)** is a company that provides a range of specialist services to the oil and gas market.

Members of **Transiz** have the experience, expertise and capacity required to deliver world class capability to both the upstream and downstream industry. **Accelerate your business potential with innovative Trans Island Electromechanical LLC Services :**

- \* **A multi-disciplined company providing a dynamic range of technical and specialist support to the oil & gas and energy sectors.**

**TRANSIZ**

# Transiz Group

- \* Long-standing partnership with Government entities.
- \* Well-built financial competence through major stake holdings in regional banking institutions.
- \* Among the best conglomerates in the country
- \* Strong liquidity for expansion with access to local debt.

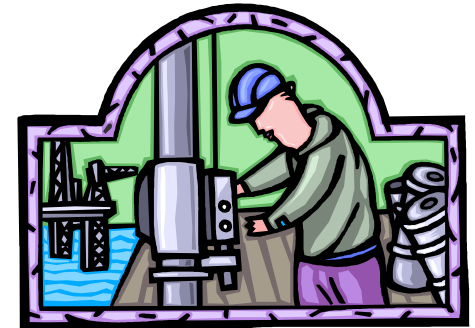

## Strategic Objectives

- \* To be a leading business house in the GCC, driven by ethical practices, innovative systems and professional management.

# Focusing Areas

- \* Technical Outsourcing, bulk material procurement, control system panel buildup, Electrical & Instrumentation field services (off-shore and on-shore) engineering.

# Technical Outsourcing & skilled manpower supply.

- \* Instrument Engineers (Offshore and Onshore)
- \* Electrical Engineers (Offshore and Onshore)
- \* Construction and Commissioning Engineers.
- \* PLC & DCS Automation Engineers.
- \* Graphics Engineer.
- \* AutoCAD Draftsmen.
- \* Control Panel Technicians & Supervisor. (FAT support experience)
- \* Instrument Technicians, Supervisors & Helper.
- \* Electrical Technicians, Supervisor & Helper.
- \* Safety engineer
- \* Welder (Certified - 2G,3G,4G,6G,ARC, MIG,TIG)
- \* Pipe Fitter.
- \* Fabricator (Vessel & Structure)
- \* Scaffolders

# MATERIAL TRADING

- \* Enclosure & Accessories
- \* Terminals & Accessories
- \* Power Supplies & Transformers
- \* Instrument , Power, Marine , Communication and flexible cables & Wires
- \* Cables Duct, Din rails Wiring Accessories
- \* Distribution Boxes (Ex d IIC T6, IP66, Ex d IIC, IP66, ATEX )
- \* MCCBs, MCBs, ELCBs, Switches, Isolators, Timers, Pushbuttons, Selector switch, indication lamps etc.
- \* Mechanical Products & Tools
- \* IT, Test & Safety Equipment
- \* Electronics Components, Power & Connectors
- \* Pneumatics, Hydraulics & Power Transmission
- \* Safety, Security, ESD Control, Relays, Switches Semiconductors
- \* Software
- \* Test and Measurement
- \* Office Supplies
- \* Information Technology
- \* Fuses, Sockets, Lighting
- \* Fasteners & Fixings
- \* Facilities Cleaning & Maintenance
- \* Batteries, Connectors
- \* Automation & Control Gear
- \* Audio and Visual Equipment
- \* Engineering Materials
- \* Marking materials (Engraving, markers, Strip labels )

# CONTROL SYSTEM PANEL BUILDUP

- \* DCS, ESD, PLC, Marshalling Cabinets Manufacturing Wiring and testing.
- \* Server, Network cabinets Manufacturing and wiring
- \* PDB, SMDB, DB Manufacturing Wiring and Testing.
- \* IRP, RTU, Manufacturing Wiring and testing
- \* Fire and safety system Manufacturing wiring and testing
- \* Aux Console , Mimic panel Wiring and testing
- \* Test panels Wiring and testing ( AI, AO, DI, DO,

# ENGINEERING SUPPORT

Budgetary Cost Estimation

Cabinets layout design

Power wiring drawings preparation

Preparation of Loop wiring and data base

I/O assignment

As Built Drawings/Documetns

Graphics & Systems configuration

FAT, SAT, Pre- commissioning and Loop checking support.

Engineering and CAD support

# ELECTRICAL & INSTRUMENTATION FIELD SERVICES

Cabinets Installation and commissioning

Cable pulling and gladding field  
instruments

Field instrument installation

Fabrication and Tubing

Control Room equipments erection.

# CAPABILITIES

## **Engineering design**

Industrial Automation, Engineering Design, Planning, Procurement and Project Management.

## **Training / manpower**

Training courses in Abseiling, First aid, Fire, Health and Safety, BOSIET and HAZOP, Personal, Manning and Consultancy Services.

## **Supply / products**

Building, Servicing, Instrumentation Repair and Diagnostics, Valves, Insulation, Electrical Cabling Supplies and more.

# Strategic Objectives

**To be a leading business house in the GCC, driven by ethical practices, innovative systems and professional management**

**To double our business volumes by 2014 through sustainable and organic development initiatives**

**Rooted in values with a deep passion for  
excellence, Transiz is driven by just one vision  
- GROWTH**
